

LET US DO THE HEAVY LIFTING FOR YOU

ATENA

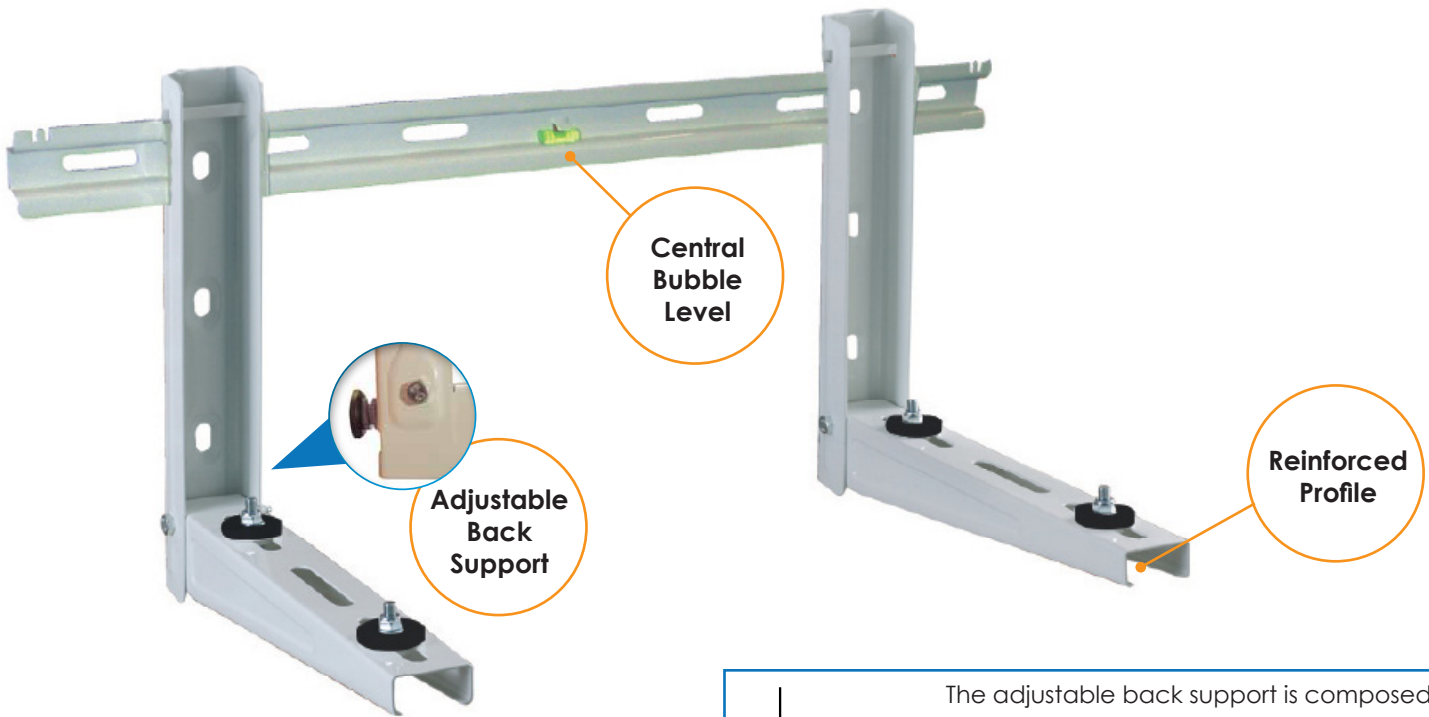

The Atena universal mini split condensing unit bracket from HMAX is a mounting kit that can take on the weight of the world. Well... maybe not the world, but at least the weight of a condensing unit.

HMAX
QUALITY HVAC ACCESSORIES

HMAX is an innovative, supply-side organization that advances the productivity of the HVACR professional. We offer high-quality, specialized components and accessories for ductless heat pump and traditional air-conditioning applications.

ATENA

Adjustable Condensing Unit Bracket

VIBRATION DAMPERS FOR WALL BRACKETS

BVD-180	1-3/16" x 3/4" (Diameter x Height) Capacity: Up to 180 lbs/piece
BVD-220	1-9/16" x 1-9/16" (Diameter x Height) Capacity: Up to 220 lbs/piece

- Vibration dampers for wall brackets & supports
- Composed of high quality natural rubber compounds
- Use for a safe and silent installation - provides protection from severe vibrations, shocks and noises with less damages to mechanical parts.
- Perfect match for HMAX wall brackets

The adjustable back support is composed of a threaded body and a self-adjusting base plate made of fiberglass for a perfect fit on the wall. This additional base allows for a high absorption of any vibration.

ATENA PRE-MOUNTED BRACKETS WITH LEVEL
